

## **NO SURRENDER - BRUCE SPRINGSTEEN**

One, two, three, four...

Well, we busted out of class  
Had to get away from those fools  
We learned more from a three minute record  
Than we ever learned in school,  
Tonight I hear the neighborhood drummer sound  
I can feel my heart begin to pound  
You say you're tired and you just want to close your eyes  
And follow your dreams down

### **Chorus**

Well, we made a promise we swore we'd always remember  
No retreat, baby, no surrender  
Like soldiers on the winter's night with a vow to defend  
No retreat, baby, no surrender

Now young faces grow sad and old with hearts of fire and grow cold  
We swore blood brothers against the wind,  
I'm ready to grow young again

You hear sister's voice, calling us home  
across the open yards,  
Well maybe we will cut someplace of own  
with these drums and these guitars

### **Chorus**

'Cause we made a promise we swore we'd always remember  
No retreat, baby, no surrender  
Blood brothers on the stormy night with a vow to defend  
No retreat, baby, no surrender

La lay lay lay lay lay lay, lay la lay lay lay (x4)

Now on the street tonight, the lights are growing dim  
The walls of my room are closing in,  
There's a war outside still raging  
You say it ain't ours anymore to win

I want to sleep, beneath  
Peaceful skies, in my lover's bed  
With a wide open country in my eyes  
And these romantic dreams in my, head

### **Chorus**

Once we made a promise we swore we'd always remember  
No retreat, baby, no surrender  
Blood brothers on a stormy night, with a vow to defend

No retreat, baby, no surrender  
No retreat, baby, no surrender  
No retreat, baby, no, surrender
